

**Lawn Watering  
Policy Resolution 30**

The duly elected Board of Directors of The Woods at Polaris Condominium Association, to encourage conservation and prevent excessive use of water, establishes the following lawn watering policy:

**Automatic Sprinkler System**

1. Spring start-up is to be accomplished no later than 15 June and winterization completed no later than 1 November.
2. The controller shall be programmed to turn the sprinklers on and off between 11 p.m. and 6 a.m.
3. Each sprinkler zone shall be set to water three days a week.
4. The sprinkler system shall include a sensor to override the controller and keep the system from watering in the rain.

**Individual Unit Owners**

1. Residents with odd-numbered units can water the lawns adjacent to their unit on odd-numbered days and those with even-numbered units are limited to even-numbered days.
2. Watering is prohibited between noon and 6 p.m. every day.

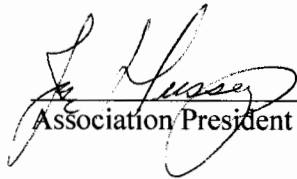

**Watering  
Hints**

- The most efficient time to water lawns is early in the morning hours from 4 to 8 a.m.
  - Try to avoid watering in the evening. This may favor the growth and development of turfgrass diseases.
  - Water run-off over curbs and under gutters indicates that much of the water is wasted.
3. Failure to comply with the watering policy may result in an enforcement assessment in the amount of up to \$50.00 per day.

THE WOOD AT POLARIS CONDOMINIUM  
ASSOCIATION, INC.

This resolution, Policy Resolution 30, was adopted at a meeting of the Board held on January 13, 2009 with the directors voting as indicated below:
